Bredbo Public School
Michelago Public School

NSW PUBLIC SCHOOLS PREPARE YOUNG PEOPLE TO LEAD FULL AND SATISFYING ADULT LIVES, AND TO HANDLE THE CHALLENGES OF THE CONTEMPORARY WORLD.

6 good reasons to choose your local school

1. Quality teaching and learning

Our schools use the NSW Quality Teaching Framework to provide engaging, relevant and challenging education and learning. Your child is taught by tertiary qualified and experienced teachers, and supported by specialist consultants.

2. Extensive curriculum opportunities

NSW public schools offer a wide range of subjects, opportunities and expertise to ensure your child has a strong academic education including science, technology, engineering and mathematics (STEM), as well as arts, sports and social skills.

3. Strong values

Your local public school paves the way for the values that will help support your child throughout their education and beyond:

- learning
- pride in their work
- care of others and self-respect

4. Excellent support services

As the largest and best education system in Australia, NSW schools have a vast network of experts to draw on across all areas of your student's curriculum, wellbeing and areas of interest.

5. A focus on the middle years (Years 5 to 9)

NSW schools have a highly successful program for students in Years 5 to 9 to ensure their move between primary school and high school is as easy and comfortable as possible. We work with you to ensure your child is ready to progress.

6. Every child counts

Your child is the reason we are here. Their education, relationships and their interests are the most important things in our world.

Introducing your local NSW public school

Bredbo Public School

Bredbo Public School provides high quality, individualised learning programs for every student.

We are proud of our caring environment and focus on academic excellence as well as interesting and stimulating extracurricular activities. These include performing arts, creative arts, sports and cultural opportunities.

Visit Bredbo Public School at www.bredbo-p.schools.nsw.edu.au or call 02 6454 4107

Michelago Public School

Michelago Public School has community connections that are rich, strong, respectful, honest and trusted.

Our school focuses on personalised learning in a small, family-orientated environment that is welcoming to all children.

The welfare of each student is key, along with their learning and development. After school programs include music, Active After School sport, homework club as well as the recent introduction of Robotics, animation and documentary and film making.
