Skiing

Skiing bookings have now been made. The full amount payable for both lift and program is $507. You are welcome to pay the full amount immediately or pay in instalments. Please contact the school to discuss. Cancellations incur a $50 fee PER BOOKING so please don’t cancel unless it is a dire emergency. If your student cannot ski for medical reasons please provide a medical certificate so that we can endeavor to cancel without charge. However, this is unlikely to happen. Transport is very generously being provided by Ineke Kuiper. Mrs Olding will be the teacher on site. For the remainder of students, school will continue as normal.

Lids 4 Kids

As you will know by now, we are collecting bottle lids for Lids4Kids. These lids are shredded and used in a 3D printer by Envision to create prosthetic hands for children in need. Below are some helpful reminders of what we can and can’t collect.

Lids4Kids

Leave us the plastic lids from your milk, water, juice and soft drink bottles and they’ll be converted into prosthetic hands for kids.
