SNOWY HYDRO EXCURSION

Thank you to everyone for bringing your permission notes in for our wonderful science excursion to Snowy Hydro on Friday.

If your child legally requires a car seat, please remember to bring it to school on Friday morning.

We look forward to a wonderful morning of learning!

High School Transition

This term our year 6 students will begin their transition to high school.

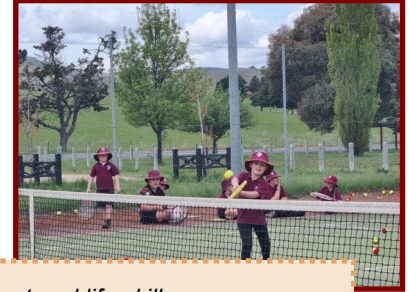

Last week, two of our students attended a half day at Monaro High School, accompanied by Ms Coyne and Mrs Southwell.

These students were, as always, wonderfully behaved and had a great time exploring the new school.

Tennis

We were very excited to begin our tennis program last week and we were super thankful that the rain held off!

Multiple sport and life skills programs

STAGE 3 CAMP

This term our stage 3 students are attending a two night camp! They will travel to Kianinny Cabins at Tathra and participate in some amazing activities including surfing and stand up paddle boarding! This will be a combined schools excursion with Adaminaby and Berridale. This is a fantastic opportunity for our senior students to either make new or consolidate already existing friendships with peers in other schools!

Strong community links

Stage 3, please remember to get your permission notes back to school ASAP!

Fence Banner

You will have noticed our beautiful new fence banner. This term we are focusing on our terrific Positive Behaviour for Learning

values of Responsible, Respectful Learners.

WORLD TEACHER'S DAY

This Friday is World Teacher's Day! Staff and students at Bredbo Public School would like to take this opportunity to say THANK YOU to Mrs Geelan and Ms Coyne along with all of the teachers who work in our school from time to time and our teacher friends at other schools.

We hope you know that we all appreciate the hard work that you do on a daily basis, including the many hours of behind the scenes and after school work.
