## STAGE 3 CAMP

What a cracking time our stage three students had at Kianinny Bush Cabins in Tathra last week! Ms Coyne reports that our students were beautifully behaved (as always) and represented our school wonderfully!

Students went on bushwalks, had campfires and played team bonding games. New skills like canoeing and surfing were learned, fun was had and bonds were made with peers from Adaminaby and Berridale schools.

Thank you stage three for being such amazing people and representatives of our beautiful school!

*Multiple sport and life skills programs*

# ***Play Costumes***

Thank you to those who have let us know that they do have the items needed for costumes. If you would please send them in straight away (with name labels please), we would be very grateful! If you don't have them, that's fine, please just let us know and we will source them.  
Thanks so much!
