Monday 10th October

## **LAST DAY OF TERM**

This Friday, the last day of term will be a mufti day. Students are welcome to wear non school uniform. We are also having lunch orders from Maru so if you would like to order, your form and payment must be brought back to school by tomorrow (Wednesday) please.

## **GARDENS**

Thank you to community member, Sheila Mason for her donation of some lovely plants for our garden. We look forward to seeing the growth of these lovely flowers. If you have any plants, either vegetable or other that you would like to donate, we would be happy to receive them.

Thank you also to Jane Fergusson for her flower donations and help in our gardens this term, it is very much appreciated!

## **Emergency Services –Thank You!**

Thank you to the Monaro Police district as well as Bredbo Rural Fire Service for their recent visits to our school. It is wonderful for our students to have the opportunity to learn more about our emergency services as well as get the chance to explore police and fire vehicles!

*Safe family environment*

# NRL-SPORT PROGRAM

We have now concluded our Term 3 NRL program. The students have not only thoroughly enjoyed this program (including the all important wellbeing aspects) but have also greatly increased their ball and agility skills. Thanks to Damian, Taylor and Shane for their terrific coaching throughout the term. Stay tuned for next term's sport as we have been successful in securing funding for another program!

*Multiple sport and life skills programs*

## Respectful Responsible Learners

At our last two assemblies we were excited to award our first Positive Behaviour for Learning certificates! These are awarded when a student has earned three merit awards in the same category. Congratulations to all of our hard working students on their achievements so far this year!

# BUSY SCHOOL!

We have had a lot happening about the school over recent weeks. Our new school pencil statues have been installed and look FABULOUS! Thank you very much to Tim and Tammy for their efforts with this. We have also just ordered our next fence banner which will be put up during Term 4.

Our library is being repainted and we look forward to a lovely fresh new look next term! Staff have been spring cleaning and organising store rooms and sheds, and

Col has been busy on the mower. All of this, combined with the wonderful beginning of spring has made our school look absolutely beautiful!

## Teacher learning that supports student learning

### ***NUMERACY***

As part of our Strategic Improvement journey our teachers have been working hard to continually improve student results. This term in particular, we have been focusing on the area of numeracy.

Some of the things that we have been investigating so far in our learning journey are:

- Gaining a deep understanding of where our students are at– what they know and what they need to learn next.
- Researching evidence-based practices to strengthen teaching and learning.
- Implementing these practices to support student learning.
- Assessing to see the growth that students have made.

*Well done to our students for working hard right up to the end of the term. We wish you a safe, happy and well-deserved holiday break!*
